2015-08-05 - Special Guest

We're pleased to announce that Jack Christensen will be attending. Jack designs and manufactures the [Timewise](#) line of rally computers and checkpoint clocks. He's a leading expert on repair of classic '[Curta](#)' mechanical calculators. And he's competed in -- and won -- some of the toughest rallies in North America, going back at least to his win in the 1996 *Rally Of The Lost Patrol*.

### **A Portland to Seaside car rally presented by: Cascade Sports Car Club**

Come enjoy a sprightly drive in the sun to Seaside, Oregon by way of an all-paved route you've likely never traveled before. We'll explore some smooth and twisty back-roads in the coast range and finish the day on the beach. Children and even pets that can handle the curves are welcome. Bring a beach blanket or a couple folding chairs and don't forget to bring a log for the bonfire!

This is a Time-Speed-Distance event; a straightforward touring rally with no traps designed to introduce beginners to the best aspects of rallying and treat experts to the same. The idea is to stay on time, all the time by following instructions we supply and speeds at or below the speed limit. The entry fee for this all day event is \$50 for CSCC members and \$55 for non-members. A BBQ dinner and drinks for two are included with your entry fee. Add \$5/person for extra passengers. A vegetarian meal will be available too! For lunch you may bring your own or hit one of several choices for food during the lunch break in St. Helens.

**Classes:** Novice, SOP, Masters, Limited & Unlimited (see the [CSCC Road Rally Rules](#))
